

### About Education Unlimited

Inspiring HCPs with Education Unlimited focused on improving patient outcomes and providing evidence to support standard of care.

Education Unlimited is a Smith + Nephew Medical Education website used globally by HealthCare Professionals and Caregivers to access the latest peer-to-peer scientific, education-based best practice. The site Education Unlimited is intended to represent thought leadership and content across Orthopaedic Reconstruction, Sports Medicine, ENT (Ear, Nose, Throat), Trauma and Extremities and Wound Management.

The site is built to support personalized learning journeys inclusive of educational pathways called learning plans, evolving libraries, educational resources and eLearning modules (faculty-led techniques, surgical videos, expert lectures, panel discussions, clinical data, evidence literature, course information and access to online training such as live webinars, virtual classrooms).

If you have any feedback, ideas or questions about the site or its content, please feel free to drop us an email on [Education.Unlimited@smith-nephew.com](mailto:Education.Unlimited@smith-nephew.com)
